

As summer approaches, so does the start of another swim team season. We rely heavily on the generous support of local sponsors for the success of our team and to keep registration fees affordable for all families. Stonehouse Splash is a non-profit organization. Therefore, your sponsorship will go directly towards overall team costs such as renewing our Virginia Peninsula Swim Union (VPSU) annual insurance and required dues, paying our coaches, ordering trophies and ribbons, maintaining equipment, and purchasing Swimtopia software needed for scoring meets.

Teaching kids the lifesaving skill of swimming in a fun and competitive environment is, and always will be, our number one priority. To strengthen this mission, we are seeking partnerships with local businesses to help make our team stronger than ever. Sponsoring our team is not only a great way to get involved with the community; it is also an amazing form of marketing for your business. Our team has approximately 50 swimmers. We will swim against 5 other teams during our regular season and additional teams during our postseason championship meets. That means your business will have branding in front of hundreds of people in Toano and the greater Hampton Roads area. With that type of exposure, everyone will remember that you supported us.

This year, in exchange for your sponsorship, your business will receive the following:

**Bronze Sponsorship: For \$250:**

- your business ad featured in the Mill Pond at Stonehouse's weekly newsletter during the swim season (June and July)
- team photo at the end of the season
- your business listed on our sponsorship board during home meets

**Silver Sponsorship: For \$500:**

- All the above, plus:
  - your company name listed on our team shirts
  - two complimentary shirts

**Gold Sponsorship: For \$1,000:**

- All the above, plus:
  - your company logo displayed prominently on our team shirts
  - your company's information displayed on a 2' x 4' banner at home meets and our two postseason championship meets
  - your company's logo with a link to your website displayed on our home page
  - a personalized post featuring your company on our team's Facebook page

We understand that you have several choices when considering different marketing and community outreach opportunities, but we truly believe that this is a great fit. Will you team up with the Splash this season and go for the gold? Your sponsorship will make a difference in the lives of many young swimmers as they embark on another season in which they will gain leadership and teamwork skills, as well as confidence and camaraderie. If you are unable to become a sponsor at this time, a monetary donation of any amount is greatly appreciated!

**Please submit the attached form with your payment by April 1st.** Thank you for your support and generosity as we prepare for our 2024 swim season.

Sincerely,  
Caitlin Barnes
